

Kids Problems

At times people have arguments, problems or fights with other people. We want to know how bad any problems were with others during the last few weeks. For the people shown below please put a cross through No if that thing did not happen or was *no problem*. If you did have a problem that made you sad, upset or angry then put a cross through one of the sad faces below. Remember, the bigger the face the bigger the problem and the more unhappy or sad you felt.
